FAMILY OF BRANDS

INSTRUCTIONS: Please complete the following information and return to SEVPINES@CIRAMAIL.COM

*For the safety of our residents, all residential gate codes have been eliminated. There are four ways that residents are able to enter the gate restricted areas: 1) Using a access sticker that is picked up by the gate sensor 2) By using the Call Box and having someone remotely open the gate) Using a FOB remote. 4) Using a temporary assigned gate code. *When a guest calls you from the Call Box, simply press 9 on your phone to remotely open the gate. Be sure to save the incoming phone number to your contacts so that you can recognize a call coming from the Seven Pines Island Gate. Vendors who require access to the community can contact RealManage.*
